

Mrs. Norris

Ms. Byrd

Classroom News ~ Room 106 ~ Patrol 6

Summit Academy ~ Akron Elementary

2011 – 2012

Math - Vocabulary

Angle vertex
Acute angle right angle
Obtuse angle degrees
Protractor straight angle

The students will also be working on a geometry quilt. They will be using manipulatives to create a picture using only shapes. They will also be coloring the pictures and constructing their paper quilt.

Science

We will be using Venn Diagrams to get our thoughts together for the Egg Drop.

The students need to build a device that will protect their egg when it is dropped out of the window.

Please send in...

Eggs
Q-tips
Cotton balls
Rubber bands
Masking tape

Social Studies

The United States of America Maps
We will be learning the states and their capitals.

Language Arts - Spelling Words

crate pudding

cabinet tutelage
ecstatic syllable

Graphic Organizers

We are learning how to use graphic organizers to put our thoughts in order for prewriting.

Read Aloud

The Year of the Dog
By
Grace Lin

Guided Reading Book
Crickets and Frogs

We have ordered our Scholastic's Math magazine for each student. Please send in \$8 for your child's subscription if you have not done so. The class will benefit from this magazine greatly.

Thank you!

This is the last week we will be taking orders from the past Scholastic's order form. I will be sending in the orders on October 7. If you would like to order your child book, please send in the order and the money by October 7.
