

October 24-28th: Newsletter

Ms. Green/ Mr. H

Patrol 7

Science

4th: Students are finishing their ecosystem projects this week, and will then begin learning about how organisms depend on each other in ecosystems.

5th: Students will be learning about the water, carbon, and nitrogen cycles.

Math

Students are working on finding the area and perimeter of squares and rectangles! We will also review estimating this week, and will do an estimation experiment next Monday with pumpkin!

Reading/L. Arts

We are beginning literature circles this week! Students will be reading chapter books and completing several activities as we read. The books are *The BFG* and *The Indian in the Cupboard*! Our word wall words this week all have prefixes in them. In writing we are working on using pronouns in our writing.

Date Reminder

1. October 28th: Harvest Family Night
2. October 31st: Snuggle up with a book/Harvest Party
3. November 21st: Parent Conferences/Literacy Night

Social Studies

4th GLE students are going to learn about the first people to settle in Ohio.

5th GLE students are going to learn about the Spanish explorer Hernando Cortes, and the Aztec and Inca cultures.

FYI

The Problems of the Week is on the back and it is worth 4 cub cash
