Language Arts

Spelling Words

Which another rough once trouble umpire
Cousin until baseball batter field pitcher

Graphic Organizers

We are learning how to use graphic organizers to put our thoughts in order for prewriting.

We will be learning how to use the proper punctuation and sentence structure to write a story.

Science

We are beginning to learn about plant and animal cells and structure.

Vocabulary

Organism cell unicellular
multicellular photosynthesis radial symmetry

Social Studies

The United States of America Maps

We will be learning the states and their capitals.

We need these items please...

Tissues

Paper towels

Sanitizing spray (no bleach)

Sanitizing wipes

We are also out of snacks for the class. Please send in healthy snacks when you can. Our class does not eat lunch until 12:30 and we understand they get hungry before lunch.

Cheese Nips

Crackers

Fruit

Pretzels

Please no Candy :O)

We have ordered our Scholastic's Math magazine for each student. Please send in \$8 for your child's subscription if you have not done so. The class will benefit from this magazine greatly.

Thank you!
