

Family Resource Center College Hill Campus

Your Source for Behavioral and Mental Health Information

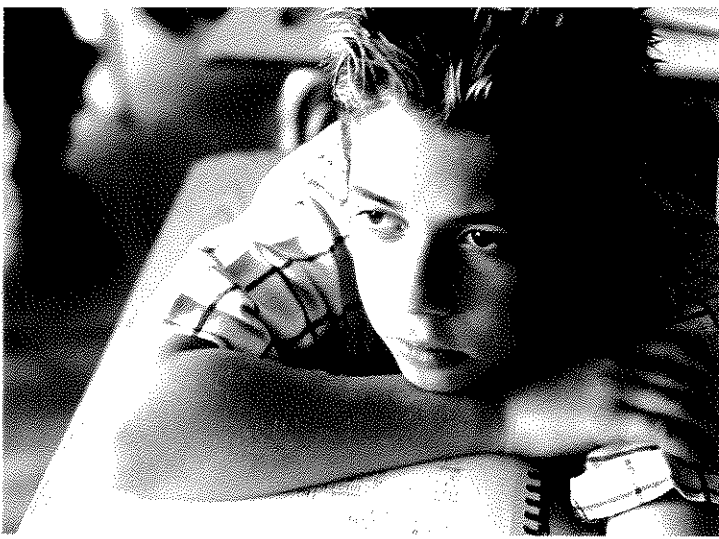

We offer:

- Information about behavioral and mental health conditions for both parents and professionals
- A lending library of mental health books
- Materials written specifically for children and teens
- Tips on working with your child's school
- Medication information
- Support groups and community resources

The Family Resource Center also offers assistance to teachers and educators. If you have a child in your school with a special need, we can help.
