## Teacher Corner

Mrs. Fryman will be out this week, so if folders do not get stamped I apologize in advance and will try to get to them the next day. We will be having a family math night on Wednesday, January 25. Dinner will be served at 5:00pm. Math activities for the whole family will follow. Remember that students may wear jeans to school on Friday for a dollar. We are still collecting items for our art club. The list of items is located on the back of the newsletter. The end of the quarter is January 20. You can always check your child's academic progress by logging into Progress book.

## Educational Topics

- Math – Addition and Subtraction Review
- Writing – What is a complete sentence?
- Social Studies – Martin Luther King Jr.
- Science – Weather
- Wellness – Community Helpers

The purpose of life is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experience.

- Eleanor Roosevelt
