

# SUMMIT ACADEMY TOLEDO COMMUNITY SCHOOL WOLVES

## Welcome to 2012!!

Happy New Year! I am looking forward to a great and exciting new year. I hope everyone had a relaxing and fun filled break. Now it is time to get back to school. We will begin January with some benchmark testing in Math and reading to see how students are progressing. The benchmark testing is given three times a year: September, January and May. This will help us to modify and adapt to each student's curriculum needs. I am very proud of all of our student's hard work that they have put forth so far, and I continue to set high expectations for all of the students. I know in 2012 the students will continue to exceed my expectations. Way to go!
