Dear Parents/Guardians,

Each year students have the opportunity to attend a field trip which allows student to earn high school credit if they complete an online module which is incorporated with the activities completed on the trip. This will be Summit Transitional High School's third year offering this trip through World Strides. In May 2012 students will have an opportunity to visit Boston, Mass. This trip will incorporate standards from the Ohio Department of Education's English and Social Studies curriculum. Students will have the chance to earn $\frac{1}{2}$ of a credit in Social Studies credit which will apply to their graduation. Students from previous trips have stated how much they have enjoyed these trips and are looking forward to the 2012 trip.

To register for the trip simply go to Worldstrides.org and click on register. The trip ID number is 65159. The down payment for the trip is \$99 which is non-refundable. The total cost of the trip is \$999. The trip does offer insurance if you are interested. The insurance will allow you to receive the money you have paid towards the trip if you decided to cancel for any reason. You can choose to purchase or not purchase the insurance. You can also register by calling Toll-Free Number: 1-800-999-7676.

If you have any questions about the trip please contact Mark Lewis at Lewis1977@aol.com.

Sincerely,
